### MINING LAWS AND LITIGATION

It was not to be expected that our legislators would succeed all at once in framing a Code of Laws for the regulation of mining which would be even approximately perfect. The mining laws of different countries must necessarily be adapted to the varying circumstances of these countries and the character of their mines. Hence, what might suit Australia would not necessarily be applicable to California; nor does it follow that regulations which work successfully in California would answer in British Columbia. But one would think that five or six years' experience and "tinkering" with the mining laws of this Colony should have sufficed to mature a tolerably complete code of mining laws. If we are to take the Cariboo paper as an exponent of the views of the miners upon this subject, and we are inclined to do so, not because that paper is generally right, but because there is abundant collateral evidence upon this point, we must come to the conclusion that legislation has not been very successful, that our mining laws are far from being perfect. There can be no doubt that the litigation of the past, the brittle and uncertain tenure by which mining property has been held, has prevented capital from being employed in developing our mineral wealth, and has driven many valuable men out of the country altogether. This subject ought to engage the earnest attention of the Legislature during the next session, and a revised code for the regulation of quartz as well as placer mining, carefully drawn up, having a special view to preventing that ruinous litigation which has already done so much mischief. The necessity of giving miners an indefeasible title to claims upon which they have expended large sums of money is beginning to be felt. So long as such claims are held by the present brittle tenure, liable to be jumped upon the slightest pretext, it is idle to expect that capitalists will invest in our mines. The following remarks upon this subject, from the Cariboo Sentinel are worthy of attention:—

"We cannot understand why a man who expends five thousand dollars in developing a mining claim should not have as indefeasible a title to it as one who lays out a similar amount in fencing or building on a ranch? Make the law similar in both cases, and the certificate of expenditure from the surveying officer of the Government—who should define the boundaries at the outset—a title sufficient to protect the owner against all who may covet his property. Unless something is done immediately, and that something in a plain, practical form, so that he who runs may read and understand, we can easily perceive that those who invest in quartz will be subjected to the same annoyances and vexatious law suits which have fallen upon many a claim-holder on Williams Creek. The country cannot afford, however, to allow any obstacle to stand in the way of her advancement, and everything that impedes the development of the quartz mines must be swept away. Litigation in the mining districts must be put a stop to at all hazards. It is easy to do it, if men would only come together with an honest intention of solving the difficulty."

**AYER'S  
Sarsaparilla**  
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Itch, and all Skin Diseases.

Dr. J. C. Ayer & Co. Gentl: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous taint, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and attacked my stomach. I took many medicines and several physicians, but without much relief from any cause. In fact, the disorder grew worse. Although I was rejected to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla) for I knew from your reputation that anything you made must be good. I sent to Cincinnati and ordered three bottles. Now and then a while I felt better, but I knew that I was not cured. You can well believe that I felt what I am saying when I tell you, that I had you to be one of the apostles of the age, and remain ever gratefully.  
ALFRED R. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Staid Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Frobie writes from Salem, N. Y., 12th Sept., 1866, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same. I sent to Cincinnati and ordered three bottles. Now and then a while I felt better, but I knew that I was not cured. You can well believe that I felt what I am saying when I tell you, that I had you to be one of the apostles of the age, and remain ever gratefully.

Leucorrhoea or Whites, Ovarian Tumor, Erysipelas, Ulcers, Pustules, Boils, Itch, and all Skin Diseases.

Dr. J. B. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in sending you a testimonial for the numerous cures effected by your Sarsaparilla. I have cured many cases of Scrofula, and also a dangerous Malignant Erysipelas by large doses of the same. I sent to Cincinnati and ordered three bottles. Now and then a while I felt better, but I knew that I was not cured. ## SMUGGLING.

During the past three or four years we have sought to impress upon the mind of the Executive the necessity for the adoption of the most stringent measures for suppressing the illicit liquor traffic carried on between Victoria and the north-west coast of this Colony. We have long felt convinced that the trade thus carried on is more extensive than most persons appear to apprehend, and facts recently elicited appear to support the conviction. The circumstance narrated in another column, of two Indian canoes having been met on the way up, one with 200 gallons of whiskey, and the other with 60 cans of Old Tom, shows that the trade is flourishing. We are assured by Captain Whitford, and by others who are likely to be well informed upon the subject, that there is probably as much liquor smuggled up the coast as there is imported into this Colony through regular channels; and it is mentioned, as an illustration of the magnitude of the trade, that in one ranche alone 100 gallons of whiskey were sold in a couple of days! We also learn that Capt. Butler, in charge of the Telegraph party at Skehik, has found it necessary to make application for a ship-of-war, so dangerous have the Indians become through the use of intoxicating drinks, supplied to them by these smugglers. It is surely apparent enough that this evil has attained a magnitude and has assumed a character which render further inaction on the part of the authorities positively inexcusable. Whether viewed simply as a question of revenue, or in its higher or more national light, the subject is one which demands immediate attention; and if a ship-of-war cannot be had to undertake the service, a revenue cutter must be obtained to cruise along the coast, and overhaul every vessel, boat and canoe in order to break up this nefarious traffic.

FROM VICTORIA.—The steamer Enterprise, Captain Swanson, arrived from Victoria last evening, with freight and passengers. We glean the following from our Victoria exchanges:—Governor Kennedy and family will sail on the next mail steamer. It is the intention of His Excellency, we believe, to proceed homeward by way of New Orleans, the Mississippi river, the Lakes, and New York. While South, the great battle fields of the rebellion will be visited.—Dr. Helmenken, late Speaker of the late Legislative Assembly of the Island, is strongly urged to stand for the B. C. Legislative Council. The Doctor would be returned by a large majority over all competitors.—The attendance at the sale at Government House was very large yesterday, and the furniture, &c., sold at astonishingly high prices. The pair of black ponies brought \$800; a white horse, \$175; and a chestnut, \$115.—A telegram of Oct. 18th states that Wm. Culverwell has been discharged from his debts in San Francisco, by a decree of the County Court. It is stated in racing circles in San Francisco that a trotting match three miles and repeat, has been made up between Lowery Matthews and Filmore for \$20,000, to be trotted within twenty days from October 9th.

SMUGGLING.—Mr. A. T. Whitford, master of the schooner Nor' Wester, appeared before the Chief Inspector of Police yesterday, and gave information to the following effect:—On my voyage to Sticken I fell in with two large Indian canoes bound for the north-west coast, one for Metlakatlah and the other for Naas River. One canoe had five 40-gallon casks full of whiskey, and the other had 60 cases of Old Tom.

THE WEATHER, which was excessively wet and disagreeable on Thursday, cleared up, and is now charming.

AYER'S  
CATHARTIC  
PILLS.

ARE you sick, feeble, and complaining? Are you feeling as if your system was clogged, and your feelings uncomfortable? These symptoms are often the result of serious illness. Some fit of sickness is creeping upon you and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general degeneration, suffering & disease. While in this condition, oppressed by the derangement, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disorders. The same purgative effect exists. Canceled by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know in what manner these Pills will speedily and safely remove all the obstructions from the system, and let the fluids move on unobstructed in health again. Statements from leading physicians in some of the principal cities, and from the well known public persons.

From a Presiding Merchant of St. Louis, Mo. 4, 1850.

Dr. Ayer: Your Pills are the purgative of all that is in the system. I have cured many cases of constipation, and many cases of hemorrhoids, and many cases of piles, and many cases of skin diseases, and many cases of general debility, and many cases of general weakness, and many cases of general suffering, and many cases of general distress, and many cases of general disease, and many cases of general death.

CURES AND COMFORT FOR  
THE BED-RIDDEN

HOLLOWAY'S OINTMENT

This wonderful Ointment acts like magic. In relieving and curing old sores, wounds, bad legs, ulcers, and eruptions of the skin; when rubbed on the surface it penetrates and purifies each tissue on its passage, and exerts the most wholesome influence over the internal structures. It heals by cleansing all animal fluids with which it comes in contact, and therefore promotes a sound and permanent cure.

Gout and Rheumatism.

To sufferers from the racking pains of Rheumatism and Gout this Ointment will prove invaluable. After anointing with warm water the aching action of this Ointment is most remarkable. It seems to pierce to the inflammation, ease pain, reduce the swelling, restore natural circulation, and expels the disease. For the above complaints Holloway's Ointment and Pills are infallible.

Diphtheria, Bronchitis, Sore Throats, Coughs and Colds.

This class of diseases may be cured by well rubbing the Ointment, three times a day, upon the throat, chest, and back of the patient. It will soon penetrate and exert immediate relief, in all stages of Influenza, Colds, and Bronchitis. This treatment may be followed with efficiency and safety, indeed, it has never been known to fail.

All Varieties of Skin Diseases Scrofula and Scurvy.

This Ointment is a certain cure for Ringworm, Scrofula or King's Evil, and the most inveterate skin diseases to which the human system is subject. It is not to be treated with a safer or more speedy remedy than Holloway's Ointment, assisted by his celebrated Pills which act so powerfully on the constitution and so purify the blood that these disorders are completely eradicated from the system, and a lasting cure obtained.

Dropsical Swelling.

Beware of this dangerous and stealthy complaint, which frequently creeps upon us by slight symptoms, and ere long, if not checked, will be a source of great suffering and expense. The cause of the evil must be sought for in the liver and stomach; therefore, act with energy by taking Holloway's famous Pills according to the printed instructions, and rubbing the Ointment very effectively over the pit of the stomach and right side, where these organs lie. Most dropsical cases will readily yield to the combined influence of the Ointment and Pills.

Piles, Fistulas, and Internal Inflammation.

These complaints are most distressing to both body and mind, false delicacy concealing them from the most intimate friends. Persons suffer for years from Piles and similar complaints when they might use Holloway's Ointment with instant relief, and effect their own cure without the annoyance of explaining their ailment to anyone. The Pills greatly purify the blood, regulate the circulation, remove diseased structures, and invigorate the whole system.

Disorders of the Kidneys, Stone and Gravel.

Are immediately relieved and ultimately cured if this Ointment be well rubbed twice a day into the small of the back, over the region of the kidneys, and if this will gradually penetrate, and in almost every case give immediate relief, but perseverance may be necessary to effect a thorough cure.

Both the Ointment and Pills should be used in the following cases:—

Bell Legs,	Chapped hands,	Scurvy,
Bad Sores,	Contracted and stiff Joints,	Sore Throats,
Burns,	Elephantiasis,	Skin Diseases,
Bites of Mosquitoes,	Fistulas,	Scrofula,
and Sand-flies,	Gout,	Sore-heads,
Coccy-lay,	Glandular Swellings,	Tumors,
Chilblains,	Gravel,	Wounds,
Corns (soft),	Lumbago,	Yaws,
Cancers,	Piles,	
Chilblains,	Rheumatism,	

Sold at the establishment of PROGRESS HOLLOWAY, 221, Strand, (near Temple Bar) London & by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—Bottle, 2s. 6d., 4d., 1s., 2s., and 3s., each Pot.

"There is a considerable saving by taking the larger size."

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

Within one year over six hundred and forty thousand persons have taken the Plantation Bitters, and not an instance of complaint has come to our knowledge!

It is a most effective tonic and agreeable stimulant, suited to all conditions of life. The report that it relies upon mineral substances for its active properties is wholly untrue. ## Lyons' Kathairon.

It is a most delightful Hair Dressing. It eradicates scurf and dandruff. It keeps the hair cool and clean. It makes the hair rich, soft and glossy. It prevents the hair turning grey and falling off. It restores hair upon prematurely bald heads. This is just what Lyons' Kathairon will do. It is pretty—it is cheap—durable. ## Mustang Liniment.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment. For cuts, sprains, burns, swellings and caked breasts the Mexican Mustang Liniment is a certain cure. For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For sprained horses, the poll evil, ringbone and swellings, the Mustang Liniment never fails. For wind-galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold. Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor's advice in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.
